To

General Secretary to the Government of His Highness
the Maharaja of Mysore, Bangalore.

Through the Deputy Commissioner, Hassan District.

Sir,

I have the honor to state that a District Board Nursery has been started at Hassan under the direct supervision of the District Forest Officer for rearing and supplying the plants for avenues in the District and for planting in the Travellers Bungalows and musafirkhanas compounds, and temporary coolies had been engaged to look after the nursery until now. The District Forest Officer requested for the continuance of the establishment for the purpose. As the cooly wages paid to them appeared to be very high, the question of entertaining a permanent peon on Rs 10/ per mensem to the Nursery and the payment of Rs 20/ to the coolies already engaged, was considered by the Board at their meeting held on 1st June 1929 and the Board approved of the resolution of the Standing Committee, which resolved that they recommend that the proposal of the District Forest Officer may be accepted and the hands may be reduced in future by reducing the area and restricting the establishment to about Rs 130 a year.

More than 500 plants of different varieties have been sent for planting in the compounds of the III class Travellers' Bungalows and musafirkhanas in the District and on the District fund road sides. Even the Amildars in the District and the
